Objective

Seeking an opportunity to apply my creativity while being challenged as a junior front-end web developer.

Project Experience

Freelance Web Developer – www.Armando.sx   Mar '14 - Present

Junior front-end developer passionately learning about web technologies, and their applications. I can confidently wireframe, design, mockup, and code, responsive websites into existence.

CinOptic Media Enterprise – Michigan Technological University   Aug '12 – May '14

Student led enterprise provides full-service media development and professional communication, including audio, video, writing, web design, technical documentation, and other communication support based on the needs of the clients.

ITOxygen Enterprise – Michigan Technological University   Jan '13 – Jun '13

Worked as the designer within a team of 4 developers. My role was to develop a consistent branding and website mock-ups. Our team communicated remotely via weekly conference calls. Using CMS the client has full control of future content. www.marbleheadlobsterco.com (Site no longer hosted)

Education

Michigan Technological University (MTU)   GPA 2.70
B.A. Communications, Culture, and Media, Spring 2014,

Delta College   GPA 3.16
A.A. (Associates in Arts) 2010, GPA 3.16

Leadership/Awards

- Attended 2014 HackIllinois & 2013 TechHacks (MTU): 2nd place Winners & HTML5 Developers Conference
- 3rd place Winner & Audience Favorite (MTU) - 2013 Bob Mark Memorial Elevator Pitch Competition

- 2011 & 2012 Make a difference day & Family Science Night / Standathon – 2012 (Houghton, MI)/(MTU)

Skills/Interests

Advanced with the use of Adobe Photoshop, and skilled with the majority of Adobe Creative Suite. Autodidact developer (HTML5, CSS3, JavaScript) Bootstrap, various JS libraries, Wordpress, basics of Ruby on Rails. Currently learning AngularJS & Polymer, will be building Web Apps. Helped friends fund a Kickstarter Campaign. Enjoy DSLR Photography & video editing using Final Cut Pro/Premier, also a pencil artist with a portfolio of drawings.

Work Experience

HDMZ Lab Consultant – Michigan Technological University   Jul '12 – May '14

Assisted students and faculty with technical issues and troubleshooting problems in the lab. Worked with Mac and Windows OS and also used Adobe Creative Suite 5, Microsoft Office, Final Cut PRO.

Teachers Assistant UN1000 – Michigan Technological University   Aug '13 – Dec '13

Assisted in the creation and implementation of lesson plans, and the delivering of class material. My role consisted of grading assignments and developing positive relationships with the students in the course.

FluentGrp - UCrew Campus Representative   Aug '12 – Dec '13

Engaged students to increase awareness of Windows 8 brand and other Microsoft products by conducting hands-on, interpersonal trials. Circulated marketing materials and promotional items. Created interest using creative social media posts and campus collaborations.

Student Graphic Designer – Michigan Technological University   Jan '11 – Dec '12

Worked for Center for Diversity and Inclusion. Used various tools within Adobe CS5 to create posters, brochures, and digital media according to university standards. Worked independently and followed in a team, trained new employees to use Photoshop.
